

Collage Workshop

You're invited to participate in a collage art-making, constructing, and storytelling workshop inspired by [Rachel Stableford's exhibition](#) at Propeller Art Gallery.

In this family friendly workshop, participants can create a layered collage creating a Toronto scene, including Toronto streetcars and animals found throughout the city. Tell a story using images, learn the basics of composition and make new friends.

Registration is required through eventbrite. You can register [here](#). All materials will be provided.

**Location: Propeller Art Gallery
